Crystal Simple Green® Industrial Cleaner & Degreaser

Versatile, High Performance Cleaning and Degreasing Concentrate without Harsh Chemicals

- The non-toxic and biodegradable formula provides a safer alternative to caustic cleaners and solvents.
- The non-abrasive, non-corrosive formula safely cleans, degreases and removes stains from a wide variety of water-safe surfaces including: metals, plastics, concrete, rubbers, synthetics, finished wood, painted surfaces, tile, laminates, stone, porcelain, fabric, glass, mirrors and more.
- It quickly eliminates body oils, dirt, grease, equipment lubricants, inks, and other tough soils without heavy scrubbing and rinses clean without a sticky or greasy film.
- Will not irritate skin and absorption through skin or accidental contact in mouth is not harmful.
- The fragrance and color-free formula is ideal for use in enclosed spaces like yoga rooms, spin studios or indoor pools or high-traffic areas with exposure to people with allergies and sensitivities.
- The cost-effective concentrate can be used manually or with cleaning equipment such as floor scrubbers, carpet extractors, pressure washers and foamers.
- NSF rated for use in cafes and other food service areas, eliminating thick grease, animal fats, oils, carbons, starches, sugars, proteins, and other food soils.
- Works as a stain pre-treat and soak for laundry, removing stains from towels, uniforms and other fabrics.

NSF registered A1, A2, A4, A8, B1 & C1

Simple Green Lime Scale Remover

Non-Abrasive Descaler Removes Tough Buildup Without Risk To Surfaces

- Safely removes tough, built-up mineral deposits, hard water stains, light rust, soap scum and oxidation.
- The organic salt formula is bleach, ammonia and phosphorous-free so it won't damage, discolor, etch or strip sensitive surfaces and protective finishes like other harsh descalers.
- Quickly cuts through mineral build-up which can clog showerheads, sink faucets and drinking fountains.
- The non-abrasive formula restores clarity and shine to shower doors, porcelain, ceramic tile, stainless steel & more.
- Safe for use on drains and pipes including ABS, PVC, aluminum, chrome, copper and others.
- VOC compliant, non-fuming formula with a deodorizing wintergreen scent.
