

Extreme Simple Green® Motorsports Cleaner & Degreaser

Extreme Simple Green Motorsports Cleaner and Degreaser is a cleaning and degreasing formula that's aggressive on grease and heavy soils, but kind to metals and high-end surfaces found on motorsports equipment.

- Aggressive degreaser
- Tackles heavy soils
- Cleans petroleum, clay and mud

Directions for Use

Surfaces must be cool and cleaning done out of direct sun. Use as-is, or dilute with ambient water.

DILUTION INSTRUCTIONS

Heavy Cleaning

1. 32 oz. Containers: Dilute 2 cups Simple Green to 2 cups water.
2. Gallon Containers: 8 cups Simple Green to 8 cups water.

Medium Cleaning

1. 32 oz. Containers: Dilute 1/2 cup Simple Green to 32 ounces water.

2. Gallon Containers: Dilute 2 cups Simple Green to 1 gallon water.

Light Cleaning

1. 32 oz. Containers: Dilute 2 tablespoons Simple Green to 32 ounces water.
2. Gallon Containers: Dilute 1/2 cup Simple Green to 1 gallon water.

APPLICATION DIRECTIONS

1. Apply EXTREME Simple Green to dirty areas via spray, wipe, or dip methods.
2. Wash, scrub, or agitate tough soils if necessary. Always use non-abrasive cloths, sponges, or soft-bristle brushes and rinse them often to prevent scratching from grit.
3. Rinse with clean water for best results.
