CLEANING PRODUCTS ENGINEERED FOR STRENGTH, SAFETY AND VERSATILITY

MRO

INDUSTRIAL CLEANING SOLUTIONS

FLOOR SCRUBBING

LOOK FOR THESE FEATURES:

- Non-Corrosive
- Non-Abrasive
- Clean Rinsing
- Orally Non-Toxic
- Readily Biodegradable
- Unscented / Scented
- PPE Not Required

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Cost-effective concentrate can be used manually or with floor scrubbing equipment. High performance cleaning power designed to remove heavy residues, metalworking fluids, tar, greases, process oils, cutting oils, lubricants and hydraulic fluids. Quick-break technology allows it to be disposed in standard wastewater treatment methods.

- High soil capacity, superior grease cutting and clean rinsing formula ensures fast and effective cleaning
- Cuts through tough, built-up grease, oils, grime and more without corrosive chemicals
- Petroleum-distillate free
- Safe for use in floor scrubbers
- Safe for entrance into oil/water separators and clarifiers
- PPE not required

CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

NSF registered industrial-strength cleaner and degreaser formulated for critical cleaning applications that demand high performance from a fragrance and color-free solution. Exempt from OSHA special handling & personal protection requirements for hazardous materials.

- Optimized for versatile floor scrubbing in a wide variety of facilities
- Safer than caustic cleaning solvents and citrus-based cleaners
- Powerful enough for intense grime, gentle enough for all types of flooring
- Unscented
- Clean-rinsing, easily extracted
- NSF registered A1, A2, A4, A8, B1 and C1
- PPE not required

SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Powerful all-purpose cleaner and degreaser that provides a safer alternative to toxic cleaners, bleaches & solvents. The concentrated formula is orally non-toxic, non-abrasive and non-corrosive, and removes heavy dirt, grease, machine fluids, residue and stains from any washable surface with a deodorizing sassafras scent.

- Easily and economically diluted for use in floor scrubbers
- EPA Safer Choice formula
- Ideal for maintenance
- Deodorizing sassafras scent
- Contributes toward satisfying Credit EQc3.3 under LEED®
- PPE not required

CLEANING, DEGREASING & PARTS WASHING

SIMPLE GREEN OFFERS WATER-BASED FORMULAS IDEAL FOR:

- MRO, Manufacturing & Surface Prep
- Parts Washers & Dip Tanks
- Metalworking & Welding
- Ultrasonic Cleaners
- Manual Cleaning & Degreasing

LOOK FOR THESE FEATURES:

- Non-Corrosive
- Non-Flammable
- VOC-Compliant
- Clean-Rinsing
- Readily Biodegradable
- Non-Caustic
- Unscented

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Versatile concentrate is ideal for heavy duty MRO cleaning of vehicles, machinery, tools, equipment and floors, as well as high precision cleaning. Combined high soil capacity, superior grease-cutting ability and clean rinsing formula prevents the redeposition of soils, ensuring fast, effective cleaning. Quick-break ability allows disposal by standard wastewater treatment methods.

- Ideal for hand tools, cutting tools, power transmission equipment and rubber products
- No reagents that oxidize finishes, cause rust within the fluid or degrade plastics
- Non-corrosive formula battles corrosion and hydrogen embrittlement during cleaning
- Very low VOCs makes it ideal for underground and confined-area cleaning, degreasing and maintenance needs
- Readily biodegradable
- Versatility helps reduce SKUs
- Cost-effective concentrate can be used manually or with cleaning equipment

REMOVES:

- Metalworking fluids
- Tar
- Greases
- Process oils
- Cutting oils
- Lubricants
- Hydraulic fluids
- Heavy residues

SAFE FOR USE ON:

- Metals
- Paints
- Plastics
- Protective coatings
- Machinery
- Engines
- **and more...**

CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Powerful, industrial-strength cleaner and degreaser that easily cuts through tough grease, oils, built-up grime and other residue without harsh or volatile chemicals. It can be used manually or with a variety of cleaning equipment including floor scrubbers, pressure washers, foamers, parts washers and more. Crystal Simple Green is NSF rated for use on surfaces in and around food processing, handling and transport areas.

- NSF registered A1, A2, A4, A8, B1 and C1
- Orally non-toxic
- Non-flammable
- Readily biodegradable
- Clean-rinsing
- Cost-effective concentrate

FOR FACILITIES REQUIRING:

- NSF registered cleaners/degreasers
- Lower pH
- VOC compliant cleaning

METALWORK & WELDING

LOOK FOR THESE FEATURES:

- Non-Flammable
- Non-Corrosive
- Non-Hazardous
- Clean-Rinsing

SIMPLE GREEN® ANTI-SPATTER

High-performance silicone and solvent-free spatter release formula formulated specifically for the welding industry. Easy spray-on formula is clean-rinsing, and reduces time-consuming spatter removal that can cause inconvenient and costly downtime.

- Keeps nozzles, diffusers, tips and shrouds clear of spatter build-up and obstruction for welding
- Protects welding equipment, welding tables and other work surfaces from unwanted spatter
- Safe for plated metals, aluminum, steel and other metal surfaces
- Does not contain Methylene Chloride, solvents or silicone
- No added color or scent

SIMPLE GREEN® ANTI-SPATTER READY-TO-USE TRIGGER

- Easy spray-on solvent-free spatter release solution
- Safe for use on aluminum and steel nozzles, diffusers, tips and other surfaces adjacent to welding
- Formulated specifically for the welding industry
- Protects vices, pliers and other tools from damage

EXTREME SIMPLE GREEN®

- Removes residue prior to welding & metalwork
- Ideal for MRO, manufacturing and surface prep
- Safe for entrance into oil/ water separators and clarifiers

SIMPLE GREEN SAFETY TOWELS®

- Ideal for quick wipe down of welding helmets, clamps and hand tools
- Safe for use on metals, rubber, concrete and more
- Uses powerful, yet non-toxic Crystal Simple Green

PAINT PREP

LOOK FOR THESE FEATURES:

- Non-Flammable
- Non-Corrosive
- Non-Hazardous
- Non-Caustic
- Orally Non-Toxic
- Readily Biodegradable
- No Silicone

EXTREME SIMPLE GREEN® AIRCRAFT & PRECISION CLEANER

Clean-rinsing formula ideal for preparing metals for powder coating, painting or production. Cost-effective concentrate can be used manually or with cleaning equipment.

- Eliminates grease and oils that cause paint bubbling and cracking
- Petroleum-distillate free
- No silicone
- Will not harm structural metal, plastic parts or painted surfaces
- Safe for entrance into oil/water separators and clarifiers

SIMPLE GREEN SAFETY TOWELS®

- Quickly removes dirt, grease, soot and more from tools and machinery
- Pre-moistened with non-toxic and readily biodegradable Crystal Simple Green for powerful cleaning and degreasing
- Dual-sided wipes feature a non-abrasive scouring side for scrubbing off built-up grime

SIMPLE GREEN® HAND CLEANER GEL

- Removes grease, grime, dirt, oil, wet paint, tar, soot, carbon and more with natural pumice to enhance cleaning without intense scrubbing
- Contains no ammonia which can irritate and sting cuts and abrasions
- Requires no water or rinsing
- No greasy film, sticky residue or dry feel
- Non-citrus formula does not contain d'Limonene

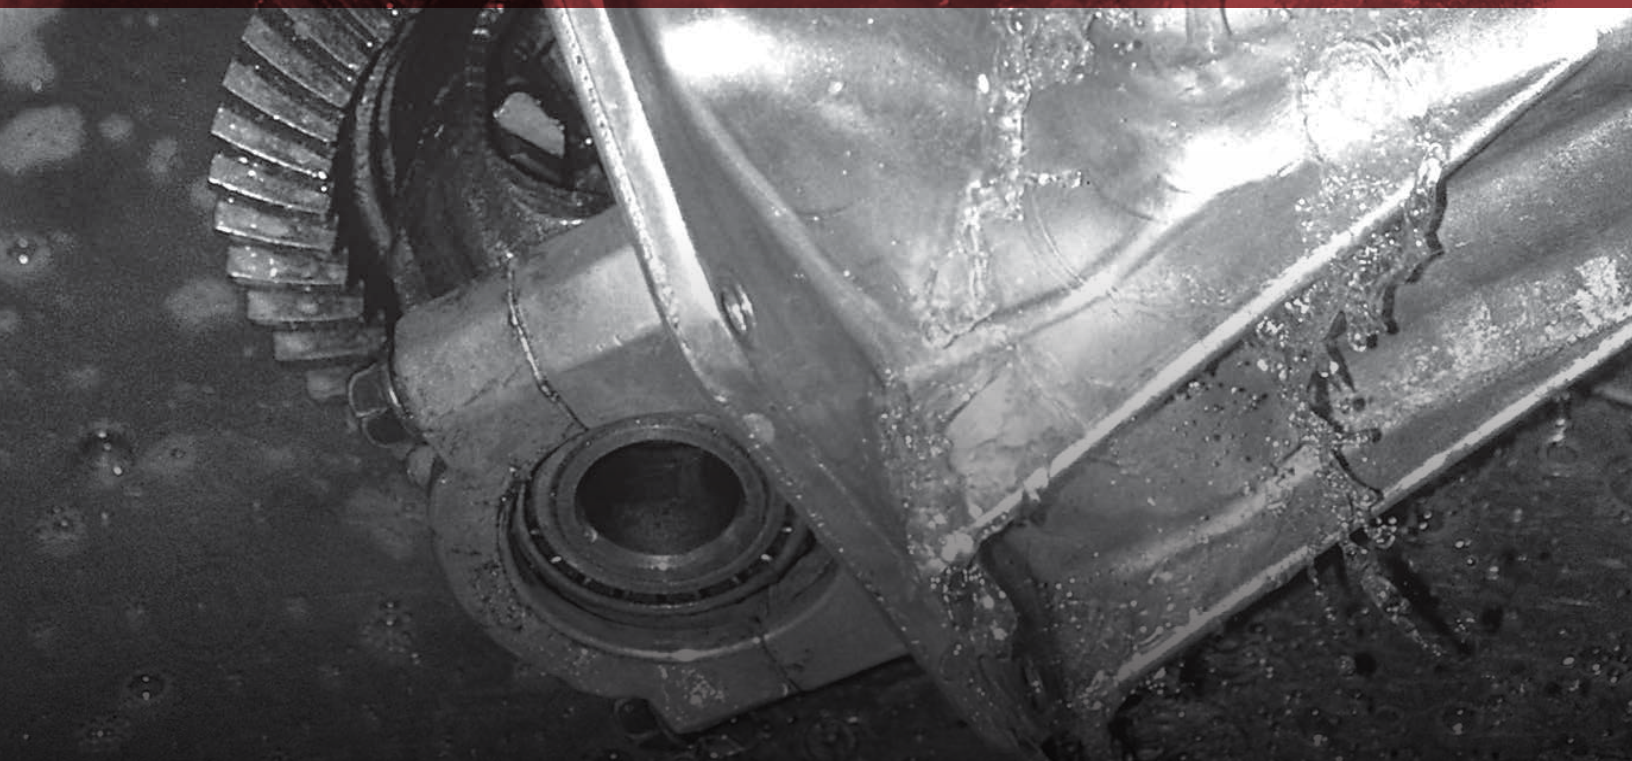

EQUIPMENT

WHY USE PRODUCT DILUTION SYSTEMS?

Automatic dilution systems not only help eliminate waste, they ensure the correct amount of chemical is used for the cleaning task at hand, improving cleaning effectiveness.

Using a concentrated product reduces frequency of replenishment, transportation fuel & packaging materials.

These factors ultimately result in increased cost savings & reduced greenhouse gases.

SIMPLE GREEN® 4+1 SELECT OR SINGLE PRODUCT PROPORTIONER

Easy & accurate product dilution systems available in low flow (1 GPM) & high flow (3.5 GPM) models.

- American Society of Safety Professionals (ASSP) 1055 approved
- Includes 15 metering tips & 4 ft. bucket-fill hose
- Option to lock in the "on" position
- Easy, tool-free maintenance
- Compatible with Simple Green Product Wire Racks
- AccuPro Pressure Regulation Technology provides accurate dilutions regardless of fluctuations in water pressure

SIMPLE GREEN® 30 OR 60 GALLON PARTS WASHER

Made of heavy-duty industrial grade polyethylene plastic, the Simple Green 30 and 60 Gallon Aqueous Parts Washers include a stainless steel work shelf, Flexible Loc-Line® nozzle and flow-through brush with polyester filaments for parts scrubbing.

- Fixed thermostat is preset to deliver optimal cleaning temperature of 105°F
- Clean-out plug and convenient spin-on canister filter for easy draining and maintenance
- 19-25 and 45-60 gallon fluid capacity
- GFCI protected with separate heater and pump switches with on/off indicators

SIMPLE GREEN® 80 GALLON PARTS WASHER

The Simple Green 80 Gallon Aqueous Parts Washer is made of stainless steel construction for long term, heavy use.

- 3,000 watt heater and adjustable agitation speed
- Spring-loaded door closure with 165 °F fusible link safety feature
- Flow-through brush system provides touch-up precision cleaning capability
- 250 lb load capacity and auto drain
