## SAE 15W-40 CI4

### Description

ETON SAE 15W-40 CI4 is a Premium multi grade semi synthetic diesel engine oil for heavy-duty diesel engines. Formulated using Europe standard additives and technology, high-quality virgin base oils blend to meet current specifications and provide complete protection for all new and old generation vehicles. API CI-4 is a higher quality oil than the previous diesel oil categories

### Features

- Low emission
- Helps remove sludge from dirty engines
- High viscosity to reduce leaks in older, high-mileage engines
- Designed to provide consistent engine performance
- Features High Resistance to Foaming and Corrosion
- Provides superior low to high-temperature performance
